MEDICAL AUTHORIZATION FOR BUILDING FUTURES

In the event of an emergency you will be notified immediately. If your child is under 18 years of age many medical facilities will not treat a minor in the absence of written parental/guardian authorization. In the event that we are not able to contact you or you are not able to come to the medical facility immediately, we are asking that you permit Building Futures to authorize emergency medical treatment for your child.

If you have medical coverage for your child, please fill in below the name of the Insurance Company, name of the primary person listed on policy and the policy number. If not, please put NA in the blanks below. We recommend you consider obtaining it for your child while he or she is attending this class.
